Total mileage will be 70 miles.

The Officials of the event are as follows:

	- <a href="mailto:arm@chelmsfordmc.co.uk">arm@chelmsfordmc.co.uk</a>	

The event will comprise Neutral, Transport and Standard sections.

All Neutral and Transport sections must be treated as Quiet zones throughout.

The transport section will allow crews to make up time. There will be one standard section timed at a 14m.p.h average to allow additional make-up. This section is also a Quiet zone.

Crews will not be allowed to make up more time than that shown on the timecard.

Quiet zones and some junctions will be observed.

Timing will be on presentation of timecard.

OTL will be at 30 minutes lateness of your due time at all controls except the Finish Time Control where OTL will be 45 minutes.

The correct penalty for arriving at the finish, either MTC or the last TC outside maximum lateness (i.e. OTL) is retirement and competitors do not feature in the results. This penalty has been modified so the penalty for arriving at the Finish TC OTL will be one more fail than the highest number of fails that any crew which has finished within OTL at the Finish TC.

These fails will be applied to ensure that crews are recognized in the results but are not classified higher than those crews finishing within OTL.
