

Introducing the

# The Britvic

## Endurance Rally

25/26th October 2008

As a replacement to the cancelled Yorkshire Endurance, *The Britvic* will be the championship finale and could prove to be all important in deciding championship and class winners.

This event is still being organised and finalised, but with such a experienced and dedicated team (not only have you Owen Turner as Clerk of the Course, you have Peter Valentine, Bob Blows and Paul Barrett as well as crucial others from Chelmsford MC) it is sure to be a fitting end to a great Championship. The event will adopt a similar format to all other Endurance events. Running from 7 am on Saturday and finishing at 3 am on the Sunday morning, allowing time for breakfast and championship awards to be held.
