

MARSHALS NEEDED

The Britvic Endurance Road Rally 25th & 26th October 2008 and TRS Gymkhana 25th October 2008

Census and Chelmsford Motor Club proudly present The Britvic Endurance Road Rally, supporting the Essex Air Ambulance on Saturday 25th and Sunday 26th October 2008. The event runs from 7am to 4am starting in Kings Lynn, Norfolk to RAF Sculthorpe and then completing the night stages in Bury St Edmunds, Suffolk.

Also on Saturday 25th October 2008, Chelmsford Motor Club will run the TRS Gymkhana at RAF Sculthorpe from 8am to 4pm.

As always for both events to run, we will rely on marshals of all experiences to help with the endurance start, the gymkhana and the endurance night route. There is an allocation of a FREE evening meal and breakfast for those who marshal the endurance night route or the gymkhana and endurance night route. There is a Marshal Prize draw of £100 on both events.

If you can offer help for any part of the two events, please contact Lynton Washer or Karen Cook by email or phone indicating your name, address and contact number, email, availability, experience and how many are in your party. If you prefer, you can fill in the section below and post to:
TRS Chief Marshal, Karen Cook, 38 Morris Avenue, Billericay, Essex, CM11 2LB.
