

## Marshals Needed

Chelmsford Motor Club proudly present

### Javelin's Jumbo Jymkhana

Sunday 30<sup>th</sup> March 2008 at RAF Woodbridge

As in previous years, the Jymkhana will be a mix of skill, accuracy and driving tests. These events are fun and always very popular with a full entry list.

As ever, we require a small army of marshals to ensure the safe and smooth running of the event. As well as being fed during the day and provided with a one hour lunch break, each marshal will be entered into a cash prize draw.

**£50 first prize and five £10 prizes**

We look forward to seeing you there for a great day of motorsport. Thank you for your support.

**If you can help please contact Jon Wilson at a club night, by telephone, e-mail or post.**
