Entries:

The entry list has been open for a month now we have around 50 entries - there is room for some more, and you can double-enter (a chance for regular navigators to beat their driver).

You can enter and pay on-line at chelmsfordmc.co.uk between now and 24th October.

Pendings / TBAs – please can all entrants with pending entries pay their fees in the next couple of weeks; should the entry fill up priority will be given to those who have actually paid. Some crew members / cars / classes are also TBA – please could you all update this information so that we can publish an accurate final entry list on 25th October.

Amendments to SRs:

4.1 Invited Clubs: CSMA replace Cambridge Car Club & Wessex Motor Club replaces West Suffolk as invited clubs. Members of clubs which are not invited can have competition membership on the day for £1 (providing they have not done this on a previous CMC event this year).
