

FINAL INSTRUCTIONS

Our intention is run all tests AND finish the event with the awards at 4pm. To achieve this, all competitors must be signed on and ready for the drivers briefing at 08.45am prompt.

Please print a copy of the attached Venue Entry Pass for each vehicle that requires access. This will need to be shown to gate-security to gain access to the airfield. I would remind you that access is from 07.15am and that everybody should be in the venue by 08.45am, as **access will be denied after this time**. Although it may be possible to leave the venue during the day, readmission will not be possible.

Please see attached maps for venue location and follow the arrows past the Rock Barracks entrance to airfield security and then further arrows and map around the airfield to the paddock area. **Do Not** approach the Rock Barracks security as this will cause problems with the venue due to the current high security alert. In the paddock area please park around the outside of the runway apron and proceed to signing on.

The competitors briefing is at 08.45, followed immediately by the convoy runs.

You will be supplied with number identification plates. These are to be displayed on the inside of the nearside and rear windows, in the clear A4 pockets provided, attached by double sided sticky tape, also provided. This is to allow easy swapping of numbers for those vehicles double entered.

Noise Test En-route to the paddock area please report to the noise test and scrutineering at 7.30am plus your start number in minutes. Vehicle must not exceed 86 dB(A) 2m distance at 2/3 rpm

Toilets Toilet facilities are provided.

Tyres There will be no tyre supply company at the venue. Please note that the surface at this venue can be quite abrasive on tyres especially as some of the tests are quite tight. Please take this into consideration, if you come with one set of road tyres are just legal, they most likely will not be when you leave, so drive accordingly. As published on the CMC web site in Bulletin1. Slick tyres will **NOT** be allowed.

Petrol There is no petrol available at the venue it would be wise to fill up before you arrive!

Notices The Official Notice board will be located by the results tent for the duration of the event. Official notices posted there will have the same force as the SR's

Remember the day is about having fun so enjoy yourselves.
