

BROCKLEY ROAD BODYWORKS GYMKHANA

MARSHALS INSTRUCTIONS

Please print a copy of the attached Venue Entry Pass for each vehicle that requires access. This will need to be shown to gate-security to gain access to the airfield. I would remind you that access is from 07.30am. Please try to arrive early.

Please see attached maps for venue location and follow the arrows past the Rock Barracks entrance to airfield security and then further arrows and map around the airfield to the paddock area. **Do Not** approach the Rock Barracks security as this will cause problems with the venue due to the current high security alert. In the paddock area please park tidily and proceed to signing on.

Marshals will be responsible for completing check sheets during the event. These will be issued at signing on before the briefing at 08.15 am

We are hoping to have a marshals convoy run at 08.30am and have you in position by 09.15am for the competitors convoy runs.

At signing on you will be issued with a food voucher to be used at the burger van.

THANK YOU once again for marshalling. The event would not run without you.

Enjoy your day.
