## GOLF GTI CHALLENGE

Date: Thursday 19<sup>th</sup> June

Location: Essex Regiment Way Golf Club – Driving Range & Putting Green

Introduction: A fun hour or so, cracking 10 golf balls as far as you can down the driving range, followed by a more subtle approach to putting 5 holes around the green.

The further the ball is hit, the lower the score.  
The fewer the put attempts, the lower the score.

Pairing up before or at the event makes the scoring easier.

There are no marshals, no judges of fact – we rely on your honesty.

Score sheets will be provided, along with pens and paper, but a calculator will not!

Entrants are encouraged bring their own clubs, if they so wish, else a few Club clubs will be available.
