

Stansted 12 Car Rally

28th January 2005

Final Instructions

Welcome to this years Stansted Rally.

This year's event starts and finishes at the Birchchanger Green Services, which is at junction 8 of the M11 and A120. Car 1 will be leaving at 21:01 (start open from 20:00) to embark on approximately 60 miles of classic country lanes in the Bishops Stortford area.

Classes of navigation

Beginner. They will be given the whole route navigation 30 minutes before their start time.

Novice. This navigation is the same as beginner but in two sealed envelopes to be opened at TC 1 and TC 4.

Expert. This is slightly harder than novice, in sealed envelopes, to be opened at each control.

Type of Navigation

The navigation on this event is fairly straight forward plot and bash navigation. It may, or may not, include some of the following. Tulip diagrams, crossing gridlines, depart in direction, herringbones and map references. It will include the following abbreviations. **LWR** – go long way round a grass triangle in the road. **GW** – stop and give way at that junction (NB. You are required to stop and give way at all junctions where the road you are joining has priority. Any give way junction in the navigation has been identified for a reason). This event will use coloured roads only except one short white, which is clearly marked in the navigation.

Blackspots

These are NOT to be entered. Penalty is exclusion.

Quiet Zones

All 30 and 40 MPH areas are designated as quiet zones. Please drive in as high a gear as possible WITHOUT using auxiliary lights. Penalty for not behaving is exclusion.

Driving Standards

These will be observed. Failure to adhere will mean exclusion.

Parking

Please park as shown on this map. It is a large car park and this area is away from the main section.

Signing On

Will be in the main seating area. Go through the main door, straight on, turn left just before the Game Zone past the cash point machines and go towards the window.

I look forward to seeing you all on the night and thank you for coming out to play.

Gavin Leech

Clerk of the Course, Event Secretary, Entries Secretary, Chief Marshal etc, etc etc.....
