

Chelmsford Motor Club invites you to the premier Historic Road Rally in East Anglia

The East Anglian Classic 2009

Run in support of the East Anglian Air Ambulance

We have listened to the feedback from last year's competitors and are making some changes for 2009. For organisational and championship reasons this year we will not be sharing the weekend with our Endurance Rally, which will run at the end of March.

- New Date. The event will be on Saturday June 20th 2009 to take advantage of the midsummer weather and longer days.
- New Start and Finish venue. The event will be based at the Barnham Broom Golf and Country Club which has easy access from both the A11 and A47, and no long run out or back.

- Straightforward, shorter, smoother tests, retaining a variety of styles and venues to suit all types of car and crew.
- New private land regularities on sealed surfaces.

- More and shorter public road regularities as requested by competitors.
- Competitive and affordable entrance fee.

Some things will not change, however. We will be keeping what are considered to be the best features of our event.

- Same experienced organising team and marshals.
- Chelmsford MC's famous results service using Liege chip clocks for the fastest possible results, as featured on the Irish Retro and Lombard Endurance Rallies, and the Tour of Cheshire.

- The splendid lanes, airfields and countryside of Norfolk.
- Varied 'no-tricks' navigation to challenge the experts but still allow newcomers to get round safely.

- Round 5 of the HRRC Clubmans Rally Championship
- Opportunity for socialising with fellow competitors and the organisers for those who wish to stay Friday and/or Saturday night at the rally HQ.

- Support for the East Anglian Air Ambulance.

For more information visit our website <http://chelmsfordmc.co.uk> or contact

Clerk of the Course, Gavin Leech, leechmotorsport@btopenworld.com

Entries Secretary, Jacqui Leech, leechmotorsport@btopenworld.com

Deputy C o C, Paul Brewerton paul@pbrewerton.freeseve.co.uk

As always such an event needs lots of marshals to run successfully. If you can help, please contact Paul Brewerton (as above).

We look forward to seeing you in June!!
