## The East Anglian Classic

Chelmsford Motor Club is pleased to welcome you to its annual historic road rally, *The East Anglian Classic*. We are once again delighted to be a round of the Autosessive HRCR Clubmans Rally Championship. This year the event will again be a one day format which will allow cars requiring a waiver of permit to take part in one of the most social rallies of the year and we are continuing our traditional Saturday format. The Old Ram on the A140 at Tivetshall St. Mary will again be our start/finish venue. We are confident you will receive a similar high standard of service and food.

This year we will again be running The East Anglian Classic Run, a closed to club event for pre-1986 cars, which avoids the need for competition licences and MSA logbooks for Category 4 cars. Navigation for the Run will be by marked map, and the route and tests will be exactly the same as the Rally, so this will provide an 'bridge' between classic runs and the HRCR championship for those wishing to progress in their classic motorsport.

Again we will be supporting the East Anglian Air Ambulance, which provides airborne response across Norfolk, Suffolk and Cambridgeshire funded entirely by charitable donation. Competitors are offered the opportunity to make a donation using the entry form.

The route will cover around 150 miles throughout Norfolk and Suffolk. During the day there will be a number of special tests at some classic venues as well as some new ones. The type and format of last years regularities was well received and this years event will be no different although one section will be traditional plot'n'bash. We will be using some lanes for our regularities that haven't seen a rally car for many years.

This year's entry fee will include bacon rolls and coffee for breakfast, a light lunch and an awards buffet where you will be able to recall the day's exploits and hopefully collect some silverware.

The start and finish venue does have limited accommodation available which can be booked directly via their web site <http://oldramnorfolk.com> and there are many hotels and B & Bs nearby.

## Supplementary Regulations

### 1 Announcement

Chelmsford Motor Club will promote a National B Historic Rally (known as The East Anglian Classic Historic Road Rally) on **Saturday 21st June 2014**.

Chelmsford Motor Club will also promote a Clubmans Targa Rally, with entry restricted to pre-1986 cars, (known as The East Anglian Classic Run) on the same date, using the same route.

The meeting will be governed by the General Regulations of the MSA (incorporating the provisions of the International Sporting Code of the FIA), these supplementary regulations and any other written instruction the organising club may issue for the event.

The National B event is a qualifying round of the Autosessive HRCR Clubmans Rally Championship.

The Clubman event is not a round of any championship.

The event website is [www.eastanglianclassic.co.uk](http://www.eastanglianclassic.co.uk)

### 2 Permit and Competition Licences

The Rally will be run under a National B permit. All competitors will require a Competition Licence of National B or higher status valid for the event issued by the MSA and a membership card of one of the eligible clubs.

East Anglian Classic Historic Rally Permit Number 82073

DOE Authorisation Number 27130JU21

Autosessive HRCR Clubmans Championship Permit TBC

The Run will be run under a clubmans permit. All competitors must be members of the organising club. No competition licences are required.

East Anglian Classic Run

Permit Number 82302

## 5 Eligible Competitors

Competitors of The East Anglian Classic Historic Rally must hold a valid competition licence and be members of at least one of the following: A member club of the Association of Eastern Motor Clubs, the East Midlands Association of Motor Clubs, Association of South East Motor Clubs or the Association of Central Southern Motor Clubs or The Historic Rally Car Register.

Competitors of The East Anglian Classic Historic Run must be members of Chelmsford Motor Club. Family membership is available for £10.00 and can be paid with the entry fee.

## 6 Eligible Cars

The East Anglian Classic Historic Rally is open to cars registered on or before 31st December 1985. They must comply with MSA GR R19.1-19.2 category 1, 2, 3 or 4 requirements. Category 4 cars must have HVIF forms.

The East Anglian Classic Run is open to cars registered on or before 31st December 1985. There is no requirement for HVIF forms.

Historic cars must either be in standard trim or not modified materially beyond a specification that is known and can be established by the entrant to have been used in rallying in the period concerned. Cars modified in other ways may be allowed to run, at the discretion of the Clerk of the Course and the Chief Scrutineer, but may be placed in a different class. Competitors must declare all modifications that affect performance, handling or braking on or with their entry form. Competitors may be required to produce documentary evidence to establish that the modifications to their car were used on rally cars of that period.

All cars must comply with section J of the MSA Technical Regulations as well as R19.1-19.8. Competitors' particular attention is drawn to the silencing requirements (J 5.17.1-5.17.2 and R4.1). Vehicle noise must not exceed 98dB(A) @ 2/3rd of max rpm at 0.5 metres. There will be noise tests before and during the event. No car exceeding these limits will be allowed to run.

Cars made between 1st January 1968 and 31st December 1981 are eligible for the general classification and overall awards. They must comply with the MSA's vehicle requirements for road rallies as set out in Section R19.1.2, unless specific waivers are granted by the MSA in respect of individual cars that are of particular historic interest. Waivers in accordance with R19.5 may be applied for by Cat 2, 3 and 4 cars in respect of R18.2.1, 18.2.2 and 18.2.3. All such waiver applications must be requested in writing (or e-mail) from the Entries Secretary at least three weeks prior to the event.

All cars must comply with R18.5-18.5.9, i.e. cars must have a maximum of 4 forward facing lights. Cars with 4 headlights may not have auxiliary lights. Cars with 2 headlights may have a maximum of 2 auxiliary lights. Attention is drawn to R19.7.1 – wheels may not differ from original dimensions by more than 10% in diameter or 1 inch in width. Tyres must have an aspect ratio of 65% or greater. Halogen bulbs, alternators, roll cages/hoops and sump-guards are permitted but not mandatory. Attention is drawn to R18.1.2 regarding paintwork.

Competitors will be required to present a current MOT Certificate, the Vehicle Registration Document (V5) as proof of period authenticity and to display a valid road tax disc.

## 7 Classes

### The East Anglian Classic Historic Rally

- Class 1 - Master crews in Category 1\* cars.
- Class 2 - Master crews in Category 2\*\* cars.
- Class 3 - Master crews in Category 3\*\*\* cars.
- Class 4 - Clubman crews in Category 1 cars.
- Class 5 - Clubman crews in Category 2\*\* cars.
- Class 6 - Clubman crews in Category 3\*\*\* cars.
- Class 7 - Newcomer crews in Category 1\*, 2\*\* and 3\*\*\* cars.
- Class 6 - All crews in Category 4\*\*\*\* cars (not eligible for overall awards)

\*Category 1 – cars registered before January 1, 1968.

\*\*Category 2 – cars registered from January 1, 1968 to December 31, 1974.

\*\*\*Category 3 – cars registered from January 1, 1975 to December 31, 1981

\*\*\*\*Category 4 - cars registered from January 1, 1982 to December 31, 1985.

Experience class definitions below are the same as the HRCR Clubmans award classes.

**Master:** A crew where any member has had two or more finishes in the top 5 places overall of a National B (formerly Restricted) or higher status rally.

**Clubman:** A crew which does not meet the qualifying requirements for Master or Newcomer.

**Newcomer:** A crew of which no member has previously qualified as a finisher in 6 or more rallies of the following types: a) Any rally for which MSA Competition Licences were required or b) Any other road event in the UK or abroad, which included timed regularity sections and had more than 12 starters.

The organisers reserve the right to amalgamate classes in order to achieve a reasonable number of competitors in each class and a fair matching of performance.

### The East Anglian Classic Run

This event will consist of a single class comprising all competitors.

## 8 Body Damage

Cars will be inspected for damage at Scrutineering. All competitors must declare any damage incurred either to their car or to a third party's, property during the event, on the form provided. Failure of any competitor, whether his car is damaged or not, to hand in a complete damage declaration at the finish of the event will result in exclusion. Competitors' attention is drawn to General Regulation R15.1.3 require competitors who retire to return their damage forms to the organisers within 72 hours of the end of the event.

## 9 Prohibited Equipment

The following may not be installed or carried in competing cars, under pain of exclusion: electronic trip meters capable of measuring more than just distance; calculators with integral clocks, cycle computers, electronic speed tables, lap and palm top computers, PDAs, two-way radios, containers for carrying fuel (full or empty), GPS receivers. In the interests of safety, mobile telephones MAY be carried in competing cars, for use in emergencies or after retirement.

## 10 Identification

The organisers will provide a self adhesive rally plate and two smaller self adhesive competition numbers. The rally plate is to be affixed to the front of the car and the smaller numbers to each side. The smaller numbers must be placed behind the front doors on the coach line or above. The rear side windows, if applicable, are ideal. The organisers may supply sponsor's decals that must be displayed on each side of the vehicle. Competitors not displaying proper numbers or decals throughout the event may incur exclusion or a lesser penalty, at the organiser's discretion.

## 11 Entries

Entries will only be accepted if submitted via the on-line entry system ([www.eastanglianclassic.co.uk](http://www.eastanglianclassic.co.uk)), or you can print a form from the internet and post to the Entries Secretary, accompanied by the correct fee. Entries to this years event(s) open on the publication of these regs with an entry fee of £110. Please enter early. You will be able to pay on line with paypal or by BACS transfer or just send us a cheque for the full amount. The entry fee includes bacon rolls and coffee at the start, a light lunch and a prize giving buffet for two people. The closing date for entries is Friday 6th June. Entries received after this date cannot be guaranteed.

PLEASE NOTE - £10 from your entry fee will be donated to the East Anglian Air Ambulance. The maximum number of entries for the Rally is 60. The minimum is 25. The maximum number of entries for the Run is 20. The minimum is 5. Should either of the maximum numbers be exceeded a reserve list will be created. Should either minimum number not be reached the organisers reserve the right to cancel all or part of the meeting. Entries will be selected on a first come basis, although priority will be given to registered contenders of the HRCR Championships until Saturday 31st May..

**Entries cancelled, in writing or verbally, up to 7th June will receive a full refund so please enter early!** Entries cancelled after that date may be refunded at the discretion of the organisers.

If unforeseen circumstances should force the abandonment of the event at any time, the organisers reserve the right to retain a proportion of the entry fee to cover administrative costs.

**PLEASE NOTE. Entry payments by cheque will not be banked until Friday 6th June.**

## 12 Route

The total length of both events will be about 150 miles; fuel will be available on route as identified in the road book. It will comprise primarily of surfaced roads with some sections of airfield and tracks which may have a broken surface but which are smooth. All roads will have driven in a standard road car with no sump guard.

## 13 Route Instructions

### The East Anglian Classic Historic Rally

Navigation will be by simple traditional means, although the methods used WILL vary between regularities. Examples of types of navigation can be obtained from the Clerk of the Course Paul Brewerton.

A road-book containing details of all the Main Time Controls, Regularity Start Controls, Test Venues, Petrol Halts and the location of black spots and give way junctions (R9.1.1 - 9.1.2) will be given to competitors when they sign-on.

On the route, junctions shall be treated in accordance with the Highway Code. It is not necessary to stop but competitors must give priority to traffic from the right (R9.1.4).

Competitors will require OS 1:50000 (Landranger) Second Series maps numbers **144 and 156** latest editions.

### The East Anglian Classic Run

The road book will contain, in addition to the information above, marked map extracts showing the complete route (but not the locations of IRTCs), and information regarding regularity average speeds. Competitors who wish to practise their navigation skills may request copies of the navigation handouts used in the Rally.

## 14 Quiet Zones

Along the route the organisers may establish Quiet Zones. In a Quiet Zone, competitors must proceed quietly in as high a gear as possible. Quiet Zones will be notified to competitors in the route instructions and additionally by the use of "Q" boards on the route. The non-appearance of either or both of these does not invalidate the Quiet Zone and the onus lies with the competitor to comply with the route card / road-book. All 30 and 40 MPH areas will be considered Quiet Zones in their entirety.

The penalty for failure to observe the requirements of a Quiet Zone will be 1800 marks for the first offence and exclusion for the second.

## 15 Road Section Timing and Control Procedure

The rally will be run under Scheduled Time (R.12.2). The following types of controls may be used:

**Main Time Controls (MTC)** at points which competitors must visit during the time the control is open in order to be classified as a finisher. MTCs will be typically located at the start and finish of each leg and at the lunch or petrol halts.

**Time Controls (TC)** at intermediate points on the route where competitors' times will be recorded.

**Secret Checks (SC)** established at undisclosed points to check competitors driving behaviour and/or adherence to route instructions and/or adherence to the Supplementary Regulations.

**Passage Checks (PC)** and **Route Checks (RC)** to establish adherence to the correct route.

**Regularity Start Controls (RS)** at the start of Regularity Sections. These may be self start.

**Intermediate Regularity Time Controls (IRTC)** where competitors' time of arrival will be recorded as they stop astride the line at the control point.

**Test Starts and Finishes (TS and TF)** at the start and finish lines of tests.

If any control is unmanned, it will assume the status of a Route Check.

The beginning of a Control Area (other than at TS's, TF's and RC's) will be indicated by a control board. Except at IRTC's, competing cars may enter the control in the minute preceding their due time, BUT NOT BEFORE, so that their time card may be filled in. Electronic tags will be affixed to each competitor's timecard for the purpose of recording times from the marshals' clocks. The times stored by the tags will be downloaded into the results computer at rest halts for speedy production of results.

Competitors will start at minute intervals. Each competitor will be due at each MTC and TC at the Standard Time, plus their rally number in minutes. This is your Scheduled Time.

Competitors booking in at MTCs before their Scheduled Time will be penalised at the rate of 120 marks per minute. Note that penalties for early arrival are cumulative. E.g. if you are one minute early at one control and the same amount early at the next, you are penalised for early arrival each time. On the other hand, if you revert to your Scheduled Time (and thus take a minute longer than the time allowed for that section), you are not penalised for lateness, as the objective is to get back to your due time as soon as possible.

Maximum Permitted Lateness at all controls is 30 minutes, except at the final MTC where it is extended to 45 minutes. Competitors arriving at a TC more than 30 minutes after their Scheduled Time will be deemed not to have visited that control.

You will be penalised for lateness at the Start Control of the leg. Apart from this, there are no lateness penalties.

There are no penalties for lateness at controls at the end of Neutral or Transport Sections other than Maximum Permitted Lateness.

There will be no intermediate Time Controls prior to Test start Controls. **Competitors may report to these points and start the test at any time during the period they are open.**

They should be ready to start the test IMMEDIATELY on arrival; they may be instructed to start the test and timed accordingly even if they are not ready to move off. Please arrive at test and regularity starts as early as possible without driving too fast; this will assist the running of the event and give you a greater lateness cushion.

Except where specifically permitted, competitors may not pass through a Control of any kind more than once; may not turn round in a control; and must approach and depart from the control in the directions specified or implied by the route instructions. The penalty for doing otherwise is equivalent to missing that control.

## 16 Regularity Sections

There will be regularity sections (R10.4) in which competitors will be required to maintain a constant, fairly slow speed. The speed may change during a section; the speed to be maintained will be made known to competitors at or before the Regularity Start Control. These sections will be timed to the second.

Competitors must be ready to start immediately on arrival. They will be allocated a start time on the practicable full minute and no two cars may start at the same time. Some RS's may be 'Self Start' meaning that the control will NOT be manned but there will be a marker identifying the exact start point of the regularity section. Your start time for the regularity will be allocated on your time card, and you will be deemed to have started the regularity section at that time, so you should aim to arrive at the regularity start point in time to re-set your trip meter and start on the allotted time. You must therefore have a clock in your car (or on you) that is accurately synchronised to rally time so you know when to start. A clock set to rally time, based on the Rugby radio signal will be available at the signing-on area.

Competitors will be timed to the second at undisclosed Intermediate Regularity Timing Control (IRTC). Their due time at these points is based on the distance from the preceding control and the average speed(s) set. IRTCs will have no advance warning but will be indicated by a large Control Board, at which competitors must stop astride the line and present their time card to the marshal. The marshal will record their time of stopping astride the line and display a card indicating the distance to that IRTC and the time they should have taken from the RS or preceding IRTC as applicable.

Competitors may not stop or slow down unduly within sight of a IRTC. If they do they will be given the time at which they do so as their arrival time. Competitors stopping will in addition be penalised 100 marks as described below.

Competitors will be penalised 1 mark per second early or late at each IRTC up to a maximum of 600 marks at any one IRTC. There may be more than one IRTC on each regularity section.

Competitors must not stop on Regularity Sections, except at an IRTC or if obliged to do so by a Stop sign, or by other circumstances beyond their control (such as giving way to oncoming traffic on narrow roads, which is recommended). The penalty for stopping except in such circumstances will be 100 additional marks, if observed by a marshal or Judge of Fact.

The organisers' official distance will be measured using a distance meter which will have been set to give a reading as close as possible to the actual distances. Prior to the start of the event, competitors will be given the opportunity to set their own trip meters, or calculate discrepancies, on a measured mile and a route of about 5 miles. Details will be given in the final instructions.

## 17 Tests

During the event there will be a number of driving tests, timed to the second. Timing on tests may either be by means of separate Start and Finish clocks or by a single stopwatch. All crew-members, tools, equipment, etc. must be carried in their normal places during each Test.

Competitors must be ready to start each Test immediately on arrival. If they are not ready, they may be given the start signal anyway and their Test Time taken from then. Competitors overshooting the Finish line **MUST NOT REVERSE BACK**. They will be allocated the time at which they cross the line plus the penalty for failing to stop astride (5 seconds added). A competitor who reverses back will be given the Maximum Time. It is possible that cars may close up towards the end of longer tests. Force majeure will apply should any competitor be baulked in these circumstances.

It is not allowed to 'unwind' a mistake and cars should NEVER deliberately drive against the test direction.

A Bogey Time for each Test will be published, based on a 30mph average speed.

A Maximum Time for each Test is three times the bogey; this time is the maximum penalty that may be assigned for a test. A competitor's deemed time for each Test will be calculated as follows:

- a, Taking the Bogey Time or Less: Assigned bogey time
- b, Taking longer than the Bogey Time but less than the Maximum Time Assigned: actual time taken
- c, Taking longer than the Maximum Time: Assigned Maximum Time
- d, Striking a cone or marker: 5 seconds per occasion added
- e, Crossing a baulk line: 5 seconds per occasion added
- f, Failing to cross a line with all four wheels: 5 seconds per occasion added
- g, Failing to stop astride a line correctly: 5 seconds per occasion added
- h1. Unintentionally going the wrong way round a cone or marker: first occurrence 20 seconds; subsequent occurrence on the same test Assigned Maximum Time.
- h2. Making no effort to go the correct side of a cone or marker: Assigned maximum Time.
- i, Making a false start, or otherwise failing to complete the Test (includes making no attempt to stop astride): Assigned Maximum Time
- j, Not attempting a test: Assigned Maximum Time
- k, Additional penalties for specific requirements of a test: As defined in the Road-book

## 18 Penalties

General Regulation R13 is modified as follows:

Penalties will be expressed as marks lost as follows:-

Not reporting or OTL at a Time Control or Regularity Start Control or timing point, wrong direction of approach to or departure from such: 600 marks

Late arrival at any Start Control of each leg (MTC), per minute: 60 marks

Early or Late arrival at a Intermediate Regularity Time Control on a Regularity Section per second: 1 mark

Breach of a statutory requirement concerning the driving of a motor vehicle: 1800 marks

Contravention of R12.7 - 3/4 rule: first offence 600 marks

To be classified as a finisher, competitors must visit every MTC within maximum permitted lateness (OTL).

Ties will be decided by reference to :-

- i, Fewest penalties on the Regularity Sections
- ii, Fewest penalties on the Tests
- iii, Furthest cleanest

## 19 Results and Protests

Provisional results for the event will be posted at The Old Ram Hotel & PH as soon as possible after the OTL time at the last MTC. These will be declared final within 30 minutes unless any query or protest is received.

Queries relating to each part of the results must be made to the Clerk of the Course as soon as possible after the due time, or actual (if later), posting of the results and in all cases within 30 minutes using the form provided (where practicable). Replies will be posted as soon as possible. Making a query does not invalidate the right of the competitor to protest subsequently in writing to the Clerk of the Course or appeal to the Stewards of the Meeting. Any formal protest must be made within the period quoted above, unless the matter has been the subject of an enquiry to the Clerk of the Course; in this case, it must be made within 30 minutes of the reply of the Clerk of the Course. Any protests must comply strictly with GR C5 and C6.

## 21 Insurance

The Organisers have applied to Jelf Insurance Partnership for a Blanket Cover Note under the above scheme. This will provide competitors who need to use the scheme with the Third Party Cover necessary to meet RTA requirements on the Road Sections of the event.

The basic rate for the event before any loadings will be **£15.00**. All applicants wishing to use the scheme must be able to comply with all points of the Jelf Insurance Partnership's Declaration: -

- I do not have the Third Party Road Section extension on my current Motor Insurance.
- I am aged 20 or over.
- I have had no more than 1 fault claim in the last three years

- I have no more than maximum of 6 conviction points on my UK driving licence
- I have the appropriate competition licence as well as a UK/EU driving license and if my license is provisional I will be supervised by an adult over 25.
  - I have no physical or mental disabilities
  - I have no other material facts to disclose
  - Anyone aged less than 20 years old will also be accepted at the same price should their co-driver be a more senior member of their family or over 25.

If you comply with all points above no Letter of Acceptance will be required. If unable to comply with any of the above points you will be required to complete the Declaration form (the form can be obtained by contacting the event secretary or Jelf Insurance Partnership) which should be forwarded either to the organisers or direct to Jelf Insurance Partnership prior to the event to allow sufficient time for a letter of acceptance to be issued.

## **22 Concours**

Prior to the awards buffet there will be a Concours. Competitors will be judged for general smartness of the car, originality and correctness of period rallying detail of the car and equipment, turnout and appearance of the crew, again with emphasis on correctness of period detail. Marks will NOT be deducted for a travel-stained appearance. The Concours is an optional part of the event and will not count towards the general classification.

## **23 Assistance**

No organised assistance will be allowed. Cars may only be worked on by their crew or by other competitors, using tools and parts carried in their competing cars, or at bona fide garages. The penalty for breach of this regulation is exclusion (R13).

## **24 AEMC Observer**

There may be an AEMC and/or event observer appointed to the event who will be identified by means of a plain white decal on each side of his car. He shall be deemed a Judge of Fact and a Driving Standards Observer as per R8.3 in respect of the noise level of competitors, both prior to the start and during competition and also in respect of unauthorised assistance. With regard to noise level and at his absolute discretion, the observer shall be empowered to exclude a competitor by removal of his time card and instructing the competitor not to continue or by acquainting the Clerk of the Course with his decision at the earliest practical opportunity. The AEMC Observer nominated for this purpose shall be a Judge of Fact in respect of any competitor employing auxiliary lights in a stipulated Quiet Zone (other than in conditions of fog or falling snow), undue noise, or failing to stop at a Give Way Junction (where required) or any behaviour deemed detrimental to good public relations during the course of the event.

## **25 Accommodation**

There will be no overnight accommodation provided by the organising team. The start and finish venue does have limited accommodation but this must be booked and paid for by the competitors directly. Bookings can be made on <http://oldramnorfolk.com> Alternatively other hotels and B&B's can be found online. Please remember that breakfast of bacon rolls and coffee, a light lunch (drinks must be paid for by competitors) and the awards buffet at the end of the event are included in your entry fee.

## **Chelmsford Motor Club**

Chelmsford Motor Club was established in 1956 and remains one of the Southeast's most active clubs. The club has a superb reputation for organisation - from the highly regarded Preston Rally and stage rallies at Woodbridge and Brands Hatch to Autotests, PCTs, Targa Rallies and many 12 car rallies. We also run the Xpart Endurance Rally.

For more information on Chelmsford Motor Club or if you are interested in joining, please contact the registrar, Gary Nicholls on 01245 387898 or visit our website [www.chelmsfordmc.co.uk](http://www.chelmsfordmc.co.uk)

Chelmsford Motor Club was voted JLT Sport / MSA Motor Club of the Year 2009. We are extremely proud of the accolade but it is down to all the competitors, marshals and club members who made it possible. We were also voted into third place in 2007 and again in 2012. Thank you for your support over the years.

## **Marshals**

As always, to make the event a success, we are going to need lots of marshals. If you are unable to compete, but would still like to be part of the 2013 East Anglian Classic, please contact our chief marshal, Tony Burchnell. His details are on page 4 of these regulations. Alternatively you can register your interest online at [www.chelmsfordmc.co.uk](http://www.chelmsfordmc.co.uk).
