## THE PRESTON RALLY 1994

Congratulations to those of you who finished this year's Preston Rally, it seems to have been well received. Thanks for your comments on the questionnaire, results overleaf. It was definitely a game of two halves, although no one dropped more than forty five minutes each way. A few navigators need some lessons in Make Up, however, judging by the number of Make Up Fails awarded.

Despite the challenging whites in the first half, twenty nine of the thirty three starters were classified at petrol. The plot and bash in the second half kept the experts on their toes whilst being competitive for the novices. We think you all enjoyed the interesting roads. Apologies for the missing marshals, and to those who tried to find the invisible white just before STC3, but remember there are two paths you can go by and, in the long run, there's still time to change the road you're on.

The awards will be presented at the Red Lion at Boreham, near Chelmsford ( 167/ 751 098½ ) on Thursday 19th January. This will coincide with the AEMC Road Rally Championship awards and Chelmsford Motor Club will be laying on lots of food. All competitors and marshals welcome.

The awards will be presented as follows:-

1st Expert	Paul Wright / Mark Goodman
2nd Expert	Gavin Rogers / Cath Woodman
3rd Expert	Damian Conway / Simon Tebbutt
