## PRESTON RALLY 1995

Congratulations to those of you who finished this year's Preston Rally. In general the event was well received, but I think there were a few shell-shocked navigators who were expecting slightly easier navigation. The comments made in the questionnaires have been noted, and will be used to try and hone next years event further. The weather was kind to us during the night, and the car casualty rate was quite low. Unfortunately, there were a few crews who made 2 make-up errors in neutrals, and were excluded !

The whites were slightly fewer in number compared to last year. Unfortunately, we had some last minute problems in agreeing the use of some private land, and this cut a few miles out. However, I hope we can increase the number next year, as this was a popular request ! Apologies for some small errors in the navigation. The last minute route changes due to PR and private land issues didn't help, but since the first 9 crews had 0 fails, it wasn't impossible.

Thankyou for abiding by the stricter quiet zone requirements this year. The Observer and the Stewards reported no problems - well done. Apologies again for the 30/40 mph limits in competitive sections. At least 2 had appeared in the last week before the rally !

The awards will be presented at the Red Lion at Boreham near Chelmsford (167 751 098½) on Thursday 18th January 1996 at 9.30pm. This will coincide with the AEMC Road Rally Championship awards, and a free food buffet will be provided. All competitors and marshals are welcome.

The Preston awards are as follows :

1st Overall	Mike Biss / Cath Woodman
1st Expert	Gavin Rogers / Andrew Bargery
2nd Expert	Colin Rodger / Sue Speller
3rd Expert	Ian Mepham / Martin Smith
1st Semi	Jeremy Rodgers / Mark Fearon

1st Novice	M Brooks / S Richardson
Best CMC crew	Gavin Rogers / Andrew Bargery
