

TRS Ltd Targa Rally

30th March 2014

Introduction

We are pleased to announce the running of the club's spring Targa Rally, this year kindly sponsored by TRS Ltd based in Norfolk.

The format will be the same as previous events, and after consultation with the MSA double drives will be allowed. We will design the day to try and negate the advantage of the second drivers.

It will be designed as a fun day for all and to assist us in achieving that goal, I would be grateful if, as part of your entry, you nominate a marshal to come and help. Remember it is for your enjoyment.

I would like to thank the organising team in advance and hope you have an enjoyable day's sport.

John Conboy
CoC

Cars must comply with R18 (be modern road rally legal), so engines can have a maximum of 4 cylinders.

New 2014 MSA rule R18.2.5 allows forced-induction for petrol and diesel engines under 1500cc.

We are electing to run this event as closed-to-club - which avoids the need for an MSA competition licence, but means all competitors must produce a CMC club card at signing on.

There is an award for best historic if there are 5 or more entries with pre-1986 cars.

A souvenir M&H Photography photograph will be emailed to each competitor after the event, so please make sure you all provide correct email addresses.
