

List of Accommodation

The below is a list of possible accommodation in the Dengie and Maldon area.

We have not contacted the hotels below so we do not know their availability or confirmed pricing for the weekend of our event.

This list may not be exhaustive but they are the sites listed on the main Hotel Accommodation search engines, Trivago, Booking.com, Hotels.com, Trip Advisor and HotelsOne.com. There may be other options. Where possible we have identified direct telephone numbers, their web site and if available approximate overnight cost including breakfast.

Burnham on Crouch will no doubt be busy in September due the sailing attraction so suggest you contact hotels soonest.
