REQUEST FOR MARSHALS

I am acting as Chief Marshal for the above event
and as usual there is a plea for your help.

We are looking for a team of experienced marshals and would also welcome
those who are new to the Sport and may be interested to see what an
Autosolo is all about.

To assist with the smooth running of the day,
please register at an early date

On-line marshals registration is available at

<https://form.jotformpro.com/60514963302955>

All offers of help much appreciated.
