FOR THE DEMENTIA REVOLUTION

DEMENTIA REVOLUTION

Dementia is the biggest health threat facing society. As Charity of the Year for the 2019 Virgin Money London Marathon, Alzheimer's Society and Alzheimer's Research UK are joining forces to lead the charge towards a cure.

Suze is tackling three events in 2019 to support Dementia Revolution having been personally affected on both sides of her family. Having successfully finished the London Landmarks Half Marathon and smashed her PB, there are now two events to go!

13.1 miles down, 32.4 to go.

London Landmarks Half Marathon 24.3.19
Virgin Money London Marathon 28.4.19
Vitality 10km 27.5.19
